## **MATERIAL SAFETY DATA SHEET**

Product: Deliming Agent			Generic Name: 305 Lime Dele	te	
Section I			Line Dele		
nufacturer's Name	A.L.C.O. Soap	and Supply	Phone Number	704 500 040	
Responsible Party	A.L.C.O.		i none rumber	704-528-012	3
Address	628 South Main	St.	Emergency Number	1 000 000 0	20.0
	Troutman, NC 28166		Emergency Number	1-800-255-3924	
Section II Hazardous Ingred	ients/Identity Informat	tion			
Hazardous Ingredients			TLV (PPM)		
Chemical Name	CAS #	<u>WT %</u>	Pel (PPM) TWA	OTEL	
Phosphoric Acid	7664-38-2	20-25	<u>1 1</u>	STEL	Carcinogenic
				3	no
Section III Physical Data					
Boiling Point F.	212 (initial)		Specific Gravity	1.07	
Vapor Pressure mm .Hg	68F		Melting Point	N/A	
% Solubility in Water	100%		Evaporation Rate vs. water	<1	
/apor Density (Air=1)	>1		pH	the second se	
Appearance and Odor: Green liq	uid with characteristic o	odor		1	
Section IV Fire and Explosion	n Hazard Data				
Flash Point F (TCC)	N/A				
Extinguishing Media: N/A	1.07.1		Flammable Limits (LEL/UEL)	N/A	
Special Fire Fighting Procedures:	N/A				
Special Fire Fighting Procedures: Inusual Fire and Explosion Haza	N/A				
Special Fire Fighting Procedures: Jnusual Fire and Explosion Haza	N/A rds: N/A				
Jnusual Fire and Explosion Haza	N/A rds: N/A				
Jnusual Fire and Explosion Haza	N/A rds: N/A	1			
Unusual Fire and Explosion Haza Section V Reactivity Data Stability Stable	rds: N/A	Incompatibility	(Materials to Avoid): Strong alkalis, m	ost metals, bleach	
Unusual Fire and Explosion Haza Section V Reactivity Data Stability Stable ardous Decomposition or Byp	rds: N/A	hydrogen or ch	(Materials to Avoid): Strong alkalis, m lorine gas	ost metals, bleach	×
Section V Reactivity Data Stability Stable ardous Decomposition or Byp ardous Polymerization	rds: N/A	Incompatibility hydrogen or ch will not occur	(Materials to Avoid): Strong alkalis, m lorine gas	ost metals, bleach	×
Section V Reactivity Data Stability Stable ardous Decomposition or Byp azardous Polymerization section VI Health Hazard Data	rds: N/A	hydrogen or ch	(Materials to Avoid): Strong alkalis, m lorine gas	ost metals, bleach	×
Juusual Fire and Explosion Haza         Section V Reactivity Data         Stability       Stable         ardous Decomposition or Byp         ardous Polymerization         section VI Health Hazard Data         coutes of Entry: skin, eyes, ingest	rds: N/A roducts tion, inhalation	hydrogen or ch	(Materials to Avoid): Strong alkalis, m lorine gas Carcinogen N/A	ost metals, bleach	×
Section V Reactivity Data Stability Stable ardous Decomposition or Byp azardous Polymerization section VI Health Hazard Data	rds: N/A roducts tion, inhalation	hydrogen or ch	lorine gas	ost metals, bleach	×
Unusual Fire and Explosion Haza Section V Reactivity Data Stability Stable ardous Decomposition or Byp azardous Polymerization section VI Health Hazard Data soutes of Entry: skin, eyes, ingest igns of Symptoms and Exposure	rds: N/A roducts tion, inhalation	nydrogen or ch will not occur	Carcinogen N/A	ost metals, bleach	×
Jusual Fire and Explosion Haza Section V Reactivity Data Stability Stable ardous Decomposition or Byp azardous Polymerization ection VI Health Hazard Data outes of Entry: skin, eyes, ingest igns of Symptoms and Exposure mergency and First Aid Procedur	rds: N/A roducts tion, inhalation : res: Inhalation: Get to f	nydrogen or ch will not occur	Carcinogen N/A	ost metals, bleach	×.
Jusual Fire and Explosion Haza Section V Reactivity Data Stability Stable ardous Decomposition or Byp azardous Polymerization section VI Health Hazard Data outes of Entry: skin, eyes, ingest igns of Symptoms and Exposure mergency and First Aid Procedur kin: remove contaminated clothin	rds: N/A roducts tion, inhalation : res: Inhalation: Get to f	nydrogen or ch will not occur	Carcinogen N/A	ost metals, bleach	
Jusual Fire and Explosion Haza Section V Reactivity Data Stability Stable ardous Decomposition or Byp azardous Polymerization section VI Health Hazard Data outes of Entry: skin, eyes, ingest igns of Symptoms and Exposure mergency and First Aid Procedur kin: remove contaminated clothin yes: Flush with large quantities of	rds: N/A roducts tion, inhalation : res: Inhalation: Get to f ng. Flush exposed area of water, holding evelids	iresh air, if breath	Carcinogen N/A	ost metals, bleach	
Jusual Fire and Explosion Haza Section V Reactivity Data Stability Stable ardous Decomposition or Byp azardous Polymerization section VI Health Hazard Data outes of Entry: skin, eyes, ingest igns of Symptoms and Exposure mergency and First Aid Procedur kin: remove contaminated clothin yes: Flush with large quantities of	rds: N/A roducts tion, inhalation : res: Inhalation: Get to f ng. Flush exposed area of water, holding evelids	iresh air, if breath	Carcinogen N/A	ost metals, bleach	
Jusual Fire and Explosion Haza Section V Reactivity Data Stability Stable ardous Decomposition or Byp 	rds: N/A roducts tion, inhalation : res: Inhalation: Get to f ng. Flush exposed area of water, holding eyelids water or milk, DO NOT	iresh air, if breath	Carcinogen N/A	ost metals, bleach	
Jusual Fire and Explosion Haza Section V Reactivity Data Stability Stable ardous Decomposition or Byp ardous Polymerization section VI Health Hazard Data outes of Entry: skin, eyes, ingest igns of Symptoms and Exposure mergency and First Aid Procedur kin: remove contaminated clothin yes: Flush with large quantities of gestion: Drink large amounts of action VI Precautions for Sa	rds: N/A roducts tion, inhalation : res: Inhalation: Get to f ng. Flush exposed area of water, holding eyelids water or milk, DO NOT fe Handling and Use	iresh air, if breath will not occur	Carcinogen N/A ing is difficult, give oxygen. ties of water persists, seek medical attention. seek medical attention	ost metals, bleach	
Jusual Fire and Explosion Haza Section V Reactivity Data Stability Stable ardous Decomposition or Byp ardous Polymerization section VI Health Hazard Data outes of Entry: skin, eyes, ingest igns of Symptoms and Exposure mergency and First Aid Procedur kin: remove contaminated clothin yes: Flush with large quantities of gestion: Drink large amounts of action VI Precautions for Sa	rds: N/A roducts tion, inhalation : res: Inhalation: Get to f ng. Flush exposed area of water, holding eyelids water or milk, DO NOT fe Handling and Use	iresh air, if breath will not occur	Carcinogen N/A ing is difficult, give oxygen. ties of water persists, seek medical attention. seek medical attention	ost metals, bleach	
Unusual Fire and Explosion Haza Section V Reactivity Data Stability Stable ardous Decomposition or Byp Azardous Polymerization Section VI Health Hazard Data Soutes of Entry: skin, eyes, ingest igns of Symptoms and Exposure mergency and First Aid Procedur kin: remove contaminated clothin yes: Flush with large quantities of gestion: Drink large amounts of ection VII Precautions for Sat eps to Be Taken in Case Materia	rds: N/A roducts tion, inhalation : res: Inhalation: Get to f ng. Flush exposed area of water, holding eyelids water or milk, DO NOT fe Handling and Use al Is Released or Spilled	nydrogen or ch will not occur fresh air, if breath with large quanti open. If irritation induce vomiting, d: Mop up and ho	Carcinogen N/A Carcinogen N/A ing is difficult, give oxygen. ties of water persists, seek medical attention. seek medical attention Id for proper disposal.	ost metals, bleach	
Inusual Fire and Explosion Haza Section V Reactivity Data Stability Stable ardous Decomposition or Byp azardous Polymerization ection VI Health Hazard Data outes of Entry: skin, eyes, ingest igns of Symptoms and Exposure mergency and First Aid Procedur kin: remove contaminated clothin yes: Flush with large quantities of gestion: Drink large amounts of ection VII Precautions for Sar eps to Be Taken in Case Materia aste Disposal Method: Dispose	rds: N/A roducts tion, inhalation :: res: Inhalation: Get to f ing. Flush exposed area of water, holding eyelids water or milk, DO NOT fe Handling and Use al Is Released or Spilled of in accordance with Ic	iresh air, if breath will not occur iresh air, if breath with large quanti open. If irritation induce vomiting, d: Mop up and ho	Carcinogen N/A Carcinogen N/A ing is difficult, give oxygen. ties of water persists, seek medical attention. seek medical attention Id for proper disposal.	ost metals, bleach	
Inusual Fire and Explosion Haza Section V Reactivity Data Stability Stable ardous Decomposition or Byp azardous Polymerization ection VI Health Hazard Data outes of Entry: skin, eyes, ingest igns of Symptoms and Exposure mergency and First Aid Procedur kin: remove contaminated clothin yes: Flush with large quantities of gestion: Drink large amounts of ection VII Precautions for Sar eps to Be Taken in Case Materia aste Disposal Method: Dispose	rds: N/A roducts tion, inhalation :: res: Inhalation: Get to f ing. Flush exposed area of water, holding eyelids water or milk, DO NOT fe Handling and Use al Is Released or Spilled of in accordance with Ic	iresh air, if breath will not occur iresh air, if breath with large quanti open. If irritation induce vomiting, d: Mop up and ho	Carcinogen N/A Carcinogen N/A ing is difficult, give oxygen. ties of water persists, seek medical attention. seek medical attention Id for proper disposal.	ost metals, bleach	
Inusual Fire and Explosion Haza Section V Reactivity Data Stability Stable ardous Decomposition or Byp azardous Polymerization ection VI Health Hazard Data outes of Entry: skin, eyes, ingest igns of Symptoms and Exposure mergency and First Aid Procedur kin: remove contaminated clothin yes: Flush with large quantities of gestion: Drink large amounts of action VII Precautions for Sa eps to Be Taken in Case Materia aste Disposal Method: Dispose ecautions: Do not get in eyes, on	rds: N/A roducts tion, inhalation res: Inhalation: Get to f ig. Flush exposed area of water, holding eyelids water or milk, DO NOT fe Handling and Use al Is Released or Spilled of in accordance with Ic n skin, or on clothing. N	iresh air, if breath will not occur iresh air, if breath with large quanti open. If irritation induce vomiting, d: Mop up and ho	Carcinogen N/A Carcinogen N/A ing is difficult, give oxygen. ties of water persists, seek medical attention. seek medical attention Id for proper disposal.	ost metals, bleach	
Inusual Fire and Explosion Haza Election V Reactivity Data Itability Stable ardous Decomposition or Byp azardous Polymerization ection VI Health Hazard Data outes of Entry: skin, eyes, ingest igns of Symptoms and Exposure mergency and First Aid Procedur kin: remove contaminated clothin yes: Flush with large quantities of gestion: Drink large amounts of action VII Precautions for Sa eps to Be Taken in Case Materia aste Disposal Method: Dispose ecautions: Do not get in eyes, on rep containers closed when not in	rds: N/A roducts tion, inhalation res: Inhalation: Get to f ig. Flush exposed area of water, holding eyelids water or milk, DO NOT fe Handling and Use al Is Released or Spilled of in accordance with Ic n skin, or on clothing. N	iresh air, if breath will not occur iresh air, if breath with large quanti open. If irritation induce vomiting, d: Mop up and ho	Carcinogen N/A Carcinogen N/A ing is difficult, give oxygen. ties of water persists, seek medical attention. seek medical attention Id for proper disposal.	ost metals, bleach	
Jusual Fire and Explosion Haza Section V Reactivity Data Stability Stable ardous Decomposition or Byp azardous Polymerization ection VI Health Hazard Data outes of Entry: skin, eyes, ingest igns of Symptoms and Exposure mergency and First Aid Procedur kin: remove contaminated clothin yes: Flush with large quantities of gestion: Drink large amounts of ection VII Precautions for Sat eps to Be Taken in Case Materia aste Disposal Method: Dispose ecautions: Do not get in eyes, or ep containers closed when not in cition VIII Control Measures	rds: N/A roducts tion, inhalation res: Inhalation: Get to f ng. Flush exposed area of water, holding eyelids water or milk, DO NOT fe Handling and Use al Is Released or Spilled of in accordance with Ic n skin, or on clothing. No n use.	iresh air, if breath will not occur iresh air, if breath with large quanti open. If irritation induce vomiting, d: Mop up and ho	Carcinogen N/A Carcinogen N/A ing is difficult, give oxygen. ties of water persists, seek medical attention. seek medical attention Id for proper disposal.	ost metals, bleach	
Unusual Fire and Explosion Haza Section V Reactivity Data Stability Stable ardous Decomposition or Byp azardous Polymerization ection VI Health Hazard Data outes of Entry: skin, eyes, ingest igns of Symptoms and Exposure mergency and First Aid Procedur kin: remove contaminated clothin yes: Flush with large quantities of gestion: Drink large amounts of ection VII Precautions for Sat eps to Be Taken in Case Materia aste Disposal Method: Dispose ecautions: Do not get in eyes, or ep containers closed when not in ction VII Control Measures espiratory Protection	rds: N/A roducts roducts res: Inhalation res: Inhalation: Get to f ng. Flush exposed area of water, holding eyelids water or milk, DO NOT fe Handling and Use al Is Released or Spilled of in accordance with Ic n skin, or on clothing. We n use.	iresh air, if breath will not occur iresh air, if breath with large quanti open. If irritation induce vomiting, d: Mop up and ho	Carcinogen N/A Carcinogen N/A ing is difficult, give oxygen. ties of water persists, seek medical attention. seek medical attention Id for proper disposal.	ost metals, bleach	
Inusual Fire and Explosion Haza Section V Reactivity Data Itability Stable ardous Decomposition or Byp azardous Polymerization ection VI Health Hazard Data outes of Entry: skin, eyes, ingest igns of Symptoms and Exposure mergency and First Aid Procedur kin: remove contaminated clothin yes: Flush with large quantities of gestion: Drink large amounts of ection VII Precautions for Sat eps to Be Taken in Case Materia aste Disposal Method: Dispose ecautions: Do not get in eyes, on ep containers closed when not in ction VIII Control Measures spiratory Protection ntilation	rds: N/A roducts tion, inhalation res: Inhalation: Get to f ng. Flush exposed area of water, holding eyelids water or milk, DO NOT fe Handling and Use al Is Released or Spillec of in accordance with Ic n skin, or on clothing. M n use.	iresh air, if breath will not occur iresh air, if breath with large quanti open. If irritation induce vomiting, d: Mop up and ho	Iorine gas         Carcinogen         N/A         ing is difficult, give oxygen.         ties of water         persists, seek medical attention.         seek medical attention         Id for proper disposal.         deral regulations.         after handling.		
Inusual Fire and Explosion Haza Election V Reactivity Data Itability Stable ardous Decomposition or Byp azardous Polymerization ection VI Health Hazard Data outes of Entry: skin, eyes, ingest igns of Symptoms and Exposure mergency and First Aid Procedur kin: remove contaminated clothin yes: Flush with large quantities of gestion: Drink large amounts of ection VII Precautions for Sat eps to Be Taken in Case Materia aste Disposal Method: Dispose ecautions: Do not get in eyes, or ep containers closed when not in ction VIII Control Measures spiratory Protection ntilation Detective Gloves: waterproof glove	rds: N/A roducts tion, inhalation tion, inhalation: Get to f res: Inhal	iresh air, if breath will not occur iresh air, if breath with large quanti open. If irritation induce vomiting, d: Mop up and ho bcal, state, and fe Wash thoroughly	Carcinogen N/A Carcinogen N/A ing is difficult, give oxygen. ties of water persists, seek medical attention. seek medical attention Id for proper disposal.		
Inusual Fire and Explosion Haza Election V Reactivity Data Itability Stable ardous Decomposition or Byp Zardous Polymerization ection VI Health Hazard Data outes of Entry: skin, eyes, ingest igns of Symptoms and Exposure mergency and First Aid Procedur kin: remove contaminated clothin yes: Flush with large quantities of gestion: Drink large amounts of ection VII Precautions for Sar eps to Be Taken in Case Materia aste Disposal Method: Dispose ecautions: Do not get in eyes, on the containers closed when not in ction VIII Control Measures spiratory Protection ntilation Detective Gloves: waterproof glow her Protective Clothing or Equipm	rds: N/A roducts tion, inhalation res: Inhalation: Get to f ng. Flush exposed area of water, holding eyelids water or milk, DO NOT fe Handling and Use al Is Released or Spilled of in accordance with Ic n skin, or on clothing. M n use. none required local exhaust es nent: No special required	iresh air, if breath will not occur iresh air, if breath with large quanti open. If irritation induce vomiting, d: Mop up and ho bcal, state, and fe Wash thoroughly	Iorine gas         Carcinogen         N/A         ing is difficult, give oxygen.         ties of water         persists, seek medical attention.         seek medical attention         Id for proper disposal.         deral regulations.         after handling.		
Inusual Fire and Explosion Haza Section V Reactivity Data Itability Stable ardous Decomposition or Byp Zardous Polymerization ection VI Health Hazard Data outes of Entry: skin, eyes, ingest igns of Symptoms and Exposure mergency and First Aid Procedur kin: remove contaminated clothin yes: Flush with large quantities of gestion: Drink large amounts of ection VII Precautions for Sar eps to Be Taken in Case Materia aste Disposal Method: Dispose ecautions: Do not get in eyes, on the containers closed when not in ction VIII Control Measures spiratory Protection ntilation Detective Gloves: waterproof glow her Protective Clothing or Equipmod ction IXSpecial Precautions	rds: N/A roducts tion, inhalation res: Inhalation: Get to f ng. Flush exposed area of water, holding eyelids water or milk, DO NOT fe Handling and Use al Is Released or Spilled of in accordance with Ic n skin, or on clothing. M n use. none required local exhaust es nent: No special required	iresh air, if breath will not occur iresh air, if breath with large quanti open. If irritation induce vomiting, d: Mop up and ho bcal, state, and fe Wash thoroughly	Iorine gas         Carcinogen         N/A         ing is difficult, give oxygen.         ties of water         persists, seek medical attention.         seek medical attention         Id for proper disposal.         deral regulations.         after handling.		
Inusual Fire and Explosion Haza Section V Reactivity Data Stability Stable ardous Decomposition or Byp ardous Polymerization ection VI Health Hazard Data outes of Entry: skin, eyes, ingest igns of Symptoms and Exposure mergency and First Aid Procedur kin: remove contaminated clothin yes: Flush with large quantities of gestion: Drink large amounts of action VI Precautions for Sa	rds: N/A roducts roducts roducts res: Inhalation res: Inhalation: Get to f rg. Flush exposed area fwater, holding eyelids water or milk, DO NOT fe Handling and Use al Is Released or Spilled of in accordance with lc n skin, or on clothing. M n use. none required local exhaust es nent: No special required	iresh air, if breath will not occur iresh air, if breath with large quanti open. If irritation induce vomiting, d: Mop up and ho bcal, state, and fe Wash thoroughly	Iorine gas         Carcinogen         N/A         ing is difficult, give oxygen.         ties of water         persists, seek medical attention.         seek medical attention         Id for proper disposal.         deral regulations.         after handling.	commended.
